## October 2009: Asking Questions and Solving Problems

In this issue of *Science Class*, you'll find online resources that can help your students begin **Asking Questions and Solving Problems** in a meaningful way. Click on the October 2009 Table of Contents and to read a free article ("CSI for Trees") from the issue.

Here is a collection of additional online resources we've compiled that relate to **Asking Questions and Solving Problems**:

## [From the S&C Archives: Asking Questions and Solving Problems](#)

Readers tell us again and again how timeless our journal articles are. So in this section, we've compiled theme-related articles from the *Science and Children* archives.

## [Books, Books, Books: Asking Questions and Solving Problems](#)

Tired of your textbook? Click on this link for a list of some of the elementary-level books we've found related to this theme.

Coming next month... **Argumentation in Science**

- The Art of Argumentation
- More Than One "Right" Answer
- Dare to Disagree, as Scientists
