August 2010: New Teacher Tips

Summer's winding down and the new school year is rapidly approaching! This issue of *Science Class*—an online companion to *The Science Teacher (TST)*, NSTA's journal for high school teachers—offers tips

for new teachers. We here provide a range of resources to help new teachers—and seasoned veterans—start the year off right. For even more new teacher tips, check out our newest column in the September 2010 issue of *TST*—"The New Teacher's Toolbox"!

Here is a collection of online resources we've compiled that relate to **New Teacher Tips**:

[In the News: New Teacher Tips](#)

Too busy to sift through the news in search of interesting stories? Click on the link to read current news stories, collected for you by NSTA staff members, that are related to this theme.

[On the Web: New Teacher Tips](#)

With so much on the web, it's hard to know what's *really* useful. In this section, you'll find various online resources and opportunities related to this theme.
